NO NEED FOR TENCHI!

All your favorite characters from Pioneer LDCA's hit comedy anime series come to Viz Comics! This series picks up where the first six episodes of Tenchi left off. The trouble and fun began when high school student Tenchi inadvertently released the legendary demon Ryoko from his grandfather's shrine. Turns out Ryoko is actually a space pirate who's been marooned on Earth for the last 700 years! Now that she's become Tenchi's unwanted house guest, she makes it her duty to tease the hapless youth whenever possible....

Soon other alien women come to plague Tenchi: Ayeka, a princess with a fierce grudge against Ryoko; and Sasami, Ayeka's charming and mischievous little sister. Not to mention Ryo-Oh-Ki, that adorable little spaceship who looks like a cross between a cat and a rabbit!

Name: **SASAMI**
Identity: ALIEN PRINCESS
Notes: Sasami, although the youngest member of the Tenchi household, seems to be the most mature. She is also the only one who can cook worth a darn.

Name: **MIHOSHI**
Identity: GALAXY POLICE OFFICER
Notes: Mihoshi originally came to Earth in pursuit of the wanted criminal Kagato. When she comes to visit, she literally drops in—in other words, she has as much trouble steering her space ship as she does a regular Earth automobile!
